

Animal Feeding Needles

Stainless Steel Feeding Needles

These precision-crafted stainless steel balls and tubing will not injure sensitive tissues.

- For intubation of mice, rats, guinea pigs, rabbits and other small laboratory animals

Disposable Animal Feeding Needles

These Feeding Needles feature plastic luer hubs and silicone tips. Supplied straight, but can be bent to desired shape. Available in three sizes.

- Sterile, non-toxic, non-pyrogenic

Catalog No.	Gauge	Length
CGS 8553.64	20	38.1 mm (1-1/2 in)
CGS 8554.64	18	50.8 mm (2 in)
CGS 8555.64	15	76.2 mm (3 in)
