

Small Animal Intensive Care Units

The Medium and Large Dome Covers are also supplied with an Oxygen Flowmeter as standard. An Oxygen Flowmeter is available as an accessory for the Small Dome Cover.

A Transport Cart is available as an accessory for the Medium and Large Intensive Care Units. It has four fully articulated, 12.7 cm (5 in) OD casters for easy maneuvering, a top shelf for the Intensive Care Unit and a lower shelf for supplies.

A Metal Cage Cover and Brooder Cover are available as accessories for the Small Warmer Base. The vinyl-covered Metal Cage Cover converts the Small Warmer Base into a portable, heated holding cage. The flat Brooder Cover is available with and without the listed standard components that are supplied with the Small Dome Cover. The Brooder Cover with these standard components converts the Small Warmer Base into an ideal intensive care unit for smaller rodents.
