### MacIntosh Fiber Optic Laryngoscope Set

Complete set includes four MacIntosh laryngoscope blades listed below with a small and medium handle in a compact zipper case.

Catalog No.	Product
CGS 8352.68	MacIntosh Fiber Optic Laryngoscope Set

### Laryngoscope Handles for Fiber Optic Blades

These laryngoscope handles are for use with fiber optic laryngoscope blades. They are available with disposable batteries or a rechargeable 2.5 volt nickel-cadmium battery (batteries supplied with handles). The handles with disposable battery are available in two sizes: AA Penlight and C Medium size. The rechargeable battery handle is available in the medium size only.

The rechargeable battery handles charge automatically when placed in the recharger base, which ensures full power and maximum illumination. The recharger base can hold two handles. The handles and base must be purchased separately.

Catalog No.	Product
CGS 8344.68	Laryngoscope Handle, Small, with Disposable AA Battery
CGS 8345.68	Laryngoscope Handle, Medium, with Disposable C Battery
