

High-Performance Lab Table Accessories

Articulated Armrest

Our rugged, leather Articulated Armrest adds stability and comfort when delicate manipulations must be made without disturbing the isolated surface. Mounts to the Front Support Bar or Fixed Full Perimeter Enclosure.

Catalog No.	Product
AH 72-1286	Articulated Armrest
AH 72-1287	Articulated Armrest Adapter for Front Support Bar
AH 72-1288	Articulated Armrest Adapter for Fixed Full Perimeter Enclosure

Armrest Pads

The Armrests Pads are adjustable leather forearm rests which fasten to the Front Support Bar.

Catalog No.	Product
AH 60-4555	Armrest Pads

Support Bars

These adjustable steel rails mount on the table's front or rear legs, and are normally ordered with the Armrest Pads. The Front Support Bars have slots where Sliding Shelves mount, see below. The Sliding Shelves require both the Front and Rear Support Bars.

Support Bars		
Table Length	Front Support Bar	Rear Support Bar
75 cm (30 in)	AH 60-4535	AH 60-4539
90 cm (36 in)	AH 60-4536	AH 60-4540
120 cm (48 in)	AH 60-4537	AH 60-4541
150 cm (60 in)	AH 60-4538	AH 60-4542

Raised Rear Shelf

The 35 cm (14 in) deep Raised Rear Shelf mounts on the Fixed Full Perimeter Enclosure and is the length of the corresponding table top. The shelf is solidly supported 45 cm (18 in) above the isolated surface with no direct noise transmission to the table top.

Catalog No.	Product
AH 72-1289	Raised Rear Shelf for 75 cm (30 in) Table Length
AH 72-1290	Raised Rear Shelf for 90 cm (36 in) Table Length
AH 72-1291	Raised Rear Shelf for 120 cm (48 in) Table Length

Casters

This set of four retractable Casters can be mounted to the base of the High-Performance Lab Tables. Total weight capacity is 450 kg (1000 lb).

Catalog No.	Product
AH 60-4798	Casters for High Performance Lab Tables

Sliding Shelves

These Shelves are made of wood with white plastic laminate covering all sides. A metal bracket on the front edge of the shelf fits into the slot in the Front Support Bar. Shelves slide freely from side to side and are easily lifted off the Support Bars. Built-in stops prevent shelves from sliding out of slots.

Sliding Shelves			
Shelf Width	For Table Width		
	62.5 cm (25 in)	75 cm (30 in)	90 cm (36 in)
15 cm (6 in)	AH 60-4543	AH 60-4547	AH 60-4551
25 cm (10 in)	AH 60-4544	AH 60-4548	AH 60-4552
35 cm (14 in)	AH 60-4545	AH 60-4549	AH 60-4553
50 cm (20 in)	AH 60-4546	AH 60-4550	AH 60-4554
